DISNEY'S ★★★HOTEL CHEYENNE

1 Woody's Roundup rooms - Texas

The Texas rooms in Disney's Hotel Cheyenne put you in a true Western mood - wood, cowhides and leather are the design elements that define the look of the rooms. But of course, a touch of Disney or Pixar is must not be missing: The rooms and bathrooms contain elements subtly reminiscent of Woody, Jessie & Bullseye from Toy Story. The air-conditioned rooms have either 1 double bed & 1 sofa bed or 2 double beds. All rooms are suitable for 4 people.

2 Woody's Roundup rooms - Dakota

The Dakota rooms are like the Texas rooms, but closer to the central facilities of Disney's Hotel Cheyenne.

3 Woody's Roundup rooms - Wyoming

The Wyoming rooms are also no different in terms of furnishings, but have a special location: situated close to the Rio Grande, they are considered the quietest rooms in the hotel.

★ ★ ★ HOTEL CHEYENNE

1 Chuck Wagon Café

All-you-can-eat restaurant in a western atmosphere, themed after a small western town and a large stable. However, the theming is not quite as detailed as in the Cowboy Cookout Barbecue, which is located in Frontierland.

The food offer consists mainly of barbecue dishes and Tex-Mex cuisine. Breakfast is also offered at Chuck Wagon Café.

2 Red Garter Saloon

The bar at Disney's Hotel Cheyenne really does resemble a saloon. Here you can end the day with refreshing cocktails and sometimes live country music. A beautiful terrace for warm summer evenings completes the offer.

3 Starbucks Coffee

Thematically fitting version of a Starbucks, with the familiar offer.

DISNEY'S ★★★HOTEL CHEYENNE

Disney's Hotel Cheyenne is a true dream for all little cowboys and cowgirls and is not without reason one of the most popular hotels with children. Its western atmosphere invites children to play and romp around, so even if they still have energy after a long day in the parks, they will always find something to explore here - from the streets of the western town to an American Indian village and a fort. And of course, after the day's adventures, it's especially good to sleep in the rooms themed after Pixar's Toy Story.

1 Fort Apache

Fort Apache is a real Western fort at Disney's Hotel Cheyenne, which recently reopened after being closed for many years. Exploring it is a lot of fun for kids of all ages - and adults too!

2 Pony riding

Feet are tired, aren't they? Then let's go for a ride along the streets of Hotel Cheyenne. Ok, the parents have to walk, but for the kids it's great fun to ride through the rows of houses like a western hero.

3 Indoor play area

In the main building of the Hotel Cheyenne, there is a small indoor playground with a TV showing Disney productions all day. So the children won't be bored while the parents are busy at the check-in or concierge, for example.

DISNEY'S ★★★HOTEL CHEYENNE

General Store

Do you feel like shopping? Then head for the General Store - here you'll find great Disney merchandise in the atmosphere of a real western shop. To find the entrance to the General Store, which is somewhat hidden, simply look for the bronze figure of a horse in the lobby of the Hotel Cheyenne, next to which you will find the shop's door. In addition to Disney merchandise, you will also find a selection of toiletries and cosmetics in case you forget something when packing for your trip.

DISNEY'S ★★★HOTEL CHEYENNE

1 Worth an exploration!

Disney's Hotel Cheyenne wants to be explored! Don't miss the chance to roam the whole area. Can you spot the names of all the Western heroes on the buildings? You can find Billy the Kid, Cochise, Jesse James and many more. By the way, Hotel Cheyenne is not, as is often claimed, a western town, but themed after a film set of the classic westerns of the 70s and its building fronts are the backdrops!

2 The most expensive rooms are not the best!

Consider carefully whether a room near the main buildings is worth the extra cost! Many other rooms are nicer, quieter and closer to the parks and Disney Village.

3 Quiet hours in the evening

Hotel Cheyenne is a wonderful place to enjoy the evening atmosphere. Just sit down with a drink on one of the benches on the porch of any of the western buildings and relax.

4 The best time for breakfast

If your booking includes breakfast, then you should go for breakfast either at the very beginning or at the very end of the time frame - that's when the crowds are at their lowest.
