★★★★ NEWPORT BAY CLUB

1 Superior rooms

The Superior rooms are the standard rooms at Disney's Newport Bay Club. They are available as Superior Room, Superior Seaside Room, Superior Family Room, Superior Seaside Family Room and Superior Room with Terrace. The rooms are decorated in a maritime style with subtle references to Mickey Mouse and have 2 double beds or 1 king-size bed (family room: 2 double beds & 1 sofa bed).

2 Compass Club rooms

The Compass Club rooms are located on the upper floors of Disney's Newport Bay Club and are offered with the same options as the Superior rooms. They offer a more elegant design and, as a highlight, access to the Compass Club Lounge, where you can have breakfast in the morning, snacks in the afternoon and hot and non-alcoholic drinks all day. You also have access to a dedicated reception with shorter waiting times for check-in and any questions during your stay. You can also rent bathrobes and slippers on request.

3 Suites

Disney's Newport Bay Club has several suites: Executive Suites, Resort Suites, Compass Club Suites (romantically located in the hotel tower), Vice Presidential Suite & Presidential Suite. They offer all the services of the Compass Club, as well as particularly luxurious furnishings and extra space, of course.

★★★★ NEWPORT BAY CLUB

**1 Yacht Club**

Elegant a-la carte restaurant of Disney's Newport Bay Club, which invites you to dine in a cosy ambience. The design is reminiscent of the stately dining room of a sailing ship from the previous century. Of course, the exquisite dishes are accompanied by a suitable wine pairing.

2 Cape Cod

EA little more casual than the Yacht Club, this all-you-can-eat restaurant is reminiscent of the dining room of the rich plantations on the New England coast. The menu ranges from the cuisine of the Mediterranean countries to (of course) New England specialities.

3 Captain's Quarters

Bar with luxurious, pleasant atmosphere reminiscent of famous sailing regattas. Rich offer of drinks and snacks to end the day in a relaxed way.

more about the hotel

1 Free park shuttle

Newport Bay Club offers guests a free shuttle bus to the Disney Parks at Disneyland Paris. Tip: The walk along Lake Disney & Disney Village is nicer and often even quicker! .

2 Extra Magic Time

As a guest of Disney's Newport Bay Club, you can enter the Disney Parks earlier than normal day guests and experience attractions and meet characters without long queues. Just get up early!

3 Disney Character Meet & Greet

Take the opportunity to meet popular Disney characters, for example Donald, Daisy or Goofy in special outfits you won't find anywhere else - often the first magical experience of the morning.

1 Perfect for the summer months!

Disney's Newport Bay Club is the ideal Disney hotel for the hot summer months. Not only does there always seem to be a nautical breeze blowing here - no, it offers the largest outdoor pool of any Disney hotel.

2 The footpath to the parks

Even though the hotel offers a free shuttle to the parks, Lancy recommends walking! It leads leisurely along the beautiful Lake Disney and then through Disney Village - and you usually reach your destination much faster than using the buses. The parks are only a few minutes away on foot.

3 Complimentary coffee

With the Magic Pass you can get four coffees (or other hot drinks) free of charge every day from the coffee machines in the hotel.

4 The best time for breakfast

If your booking includes breakfast, then you should go for breakfast either at the very beginning or at the very end of the time frame - that's when the crowds are at their lowest.
